

# POST-16 OPEN EVENINGS

For students in Year 11 and their families

**REDHILL**  
ACADEMY TRUST

Equality and Achievement

## WELCOME TO REDHILL ACADEMY TRUST

We pride ourselves on providing an outstanding education for students across Nottinghamshire and Derbyshire.

Our highly regarded academies operate under the experienced leadership of nationally recognised Trust Principal, Andrew Burns. They promote an ethos of very high expectations and the importance of academic success for all our students, while providing our young people with the support they need to achieve this success.

Our teachers are inspirational people, passionate about their subjects and our Sixth Forms prepare students to be 21st century citizens through a wide programme of enrichment and extra-curricular activities. We offer the highest level of pastoral support and encourage young people to aim high, aspire and thrive.

Getting our students to the future career destination of their choice is one of our primary goals. Most of our students progress to university, including the most competitive institutions in the country; but we encourage them to explore all their options, including high level apprenticeships.

We look forward to welcoming you at one of our open evenings, where you can meet our staff and students and find out more about all we have to offer.
